January 2014

Dear Prayer and Financial Supporters:

As the New Year begins, we praise the Lord for those who partner with Baptist Missions To Forgotten Peoples in reaching the world with the Gospel of Jesus Christ. The New Year provides us with the perfect opportunity to reflect upon the past, while looking forward to the year ahead. It also offers us the opportunity to thank those we most appreciate and then give ourselves to reach out and minister to those in need of Christ as Saviour.

Last year was indeed truly remarkable for all of us here at Baptist Missions To Forgotten Peoples. We have YOU to thank for it! Your love, prayers and support have helped us to develop a strong missionary team that ministers around the world.

In this task oriented society that we live, it is our desire that 2014 may be the year that we as Christians see the need of majoring on what Jesus thought was important when He was on this earth. He spent most of His time touching people's lives. He personally gave Himself not only in ministering but also gave His life personally for our redemption from sin.

As we enter 2014, our passion and purpose is to continue sharing the saving message of Jesus Christ to a lost and dying world. Thank you for your continual sharing in that mission with your prayers and support. Entrusting us is something all of us at BMFP take very seriously, and we appreciate and enjoy the opportunity to partner with you in worldwide missions..

Thank you for your faithful prayers, love and support not only for Alice and me but also for all the missionaries that faithfully serve with Baptist Missions To Forgotten Peoples. May the Lord richly bless you throughout the New Year.

The Lord is good, all the time!
